

INFORMATION FOR STUDENT/SCIENTIFIC ASSISTANT

Status: October 01, 2015

For social insurance reasons, we can only employ you as a student assistant, if you have enrolled with a university, higher technical college, or cooperative state university.

In case you are no longer registered as a student, you shall be obliged to immediately inform the personnel officer responsible for you. If you fail to do so, you will be charged the possibly due social insurance costs.

Documents to be submitted together with the request:

The **request for employment** by the organizational unit to the Human Resources must be accompanied by your curriculum vitae, your valid enrollment certification (mandatory for student assistants; for scientific assistants, if enrolled), copy of graduation certificate (Bachelor/Master/Diploma/State Examination) or title holding certificate or preliminary certificate, certificate of membership with your health insurance company, this signed information, the completed questionnaire of prior employments according to Art. 2, par. 3, WissZeitVG, the completed questionnaire for registration with a health insurance company, and, if applicable, copies of employment contracts and current salary slips for other activities. In case of an **extension of employment**, the request of the organizational unit must be accompanied by completed questionnaire of further employments and enrollment. In addition, please be so kind as to submit a new enrollment certificate unrequested at the beginning of each semester if you are a student assistant or an enrolled scientific assistant. Otherwise, accounting of your salary will be suspended until submission of your current enrollment certificate. Later payments will only be made within a period of six months.

If you do not come from an EU member state, we additionally require copies of your passport, your residence permit, and your work permit, if any. In your work permit, students' part-time employment or employment in general must be permitted expressly.

Working times:

The maximum monthly working time is 85 hours (less than 19.75 hours/week).

The maximum daily working time is 8 hours.

The times worked according to the number of hours applied for will be controlled by your superior.

In accordance with the current provisions for part-time employees, we would like you to note that the employer is obliged to pay 15% pension insurance and 13% health insurance for a salary below the limits specified (at present, EUR 450.00). If these limits are exceeded by your salary or your working hours, you shall be obliged to pay the contributions on a pro rata basis.

Salary:

The salary you are entitled to will be remitted to your account by the end of the month. Possibly due payments of pension insurance will be retained from your salary and remitted to the health insurance company responsible for you.

We would like you to know that under certain circumstances, you will cease to be insured under the family insurance with your health insurance company. In this case, you will have to effect an own insurance for the duration of your employment. If you have any questions, contact your health insurance company.

Workplace:

Your workplace is the premises of Karlsruhe Institute of Technology in Eggenstein-Leopoldshafen and Karlsruhe.

Breaks:

A break of 30 minutes shall be taken in case of working times in excess of 6 hours (Working Time Act).

Leave:

Depending on the contractually agreed working hours per month, you shall be entitled to be granted hours of leave. According to the Federal Vacation Act, your entitlement is calculated as follows:

$$\frac{\text{Contractual working hours / month} * 20 \text{ days leave / year}}{85 \text{ hours / month}} * 3.95 \text{ hours / day} = X \text{ hours / year}$$

If your contract duration and/or the contractually agreed working hours/months will change, your entitlement to leave shall be recalculated. Depending on your employment duration, your entitlement per year will be divided by 12. In case of a contract duration of less than 12 months in the year of leave, your entitlement to leave will be reduced by 1/12 for every calendar month in which you will not be paid any salary. Decimal places exceeding 5 will be rounded up when calculating your entitlement to leave. Taking of the leave must be agreed upon with your supervisor at the organizational unit and deemed to be hours worked.

Free Democratic Basic Order:

As a student/scientific assistant, you shall be obliged to admit by your conduct to the free democratic basic order in the sense of the German constitution.

It is not allowed to pass an internship or write a diploma thesis (against reimbursement) or receive a KIT-scholarship parallel to a student assistant's activity. For other scholarships (for example DAAD) the add earnings limit based on the agreement must be checked prior to conclusion of the contract as assistant. Employment as a student assistant shall be excluded when writing a Ph. D. thesis, after the completion of the doctorate you cannot be employed as a student/scientific assistant. If you are employed against payment by another company parallel to your work at KIT, you may only work at KIT, if these simultaneous activities do not exceed an amount of 19.75 hours/week.

I took note of the above regulations:
